† In addition the Commonwealth may guarantee loans over £1,077,210 and £1,187,200. The former is an amount of stock issued under the Victoria Municipal Loans Act (No. 125), but not yet sold. When sold the stock will bear interest at 3 per cent. The latter amount represents certificates given by the Victorian Treasurer to the Public Trustee in the form of stock bearing to the Public Trustee. The interest on the portion referred to was, on 30th June, 1950, at the annual rate of 2 1/2 per cent. At present, interest thereon which was, in full only in respect of that portion of the certificates which, at the time of issue, were not yet sold, is included in the total.

The Tables which follow have been prepared by the Commonwealth Statistician, and, while subject to revision, are corrected to agree with the latest available information.
