TABLE No. 47.—INTERNATIONAL MONETARY AGREEMENTS ACT 1947.

STATEMENT OF TRANSACTIONS.

1. INTERNATIONAL MONETARY FUND.

Under Article III, Section 3 (a) of the Fund Agreement the subscription of each member is equal to its quota and must be paid in full to the Fund at the appropriate depository. The quota of Australia has been fixed at \$200,000,000.

Under Article III, Section 3 (b) of the Fund Agreement each member is required to pay in gold, as a minimum, the smaller of—

- (i) twenty-five per cent. of its quota; or
- (ii) ten per cent. of its net official holdings of gold and United States dollars as at the date when the Fund notifies members that it will shortly be in a position to begin exchange transactions. This was 12th September, 1946.

The Fund determined for the purposes of Article III, Section 3 (b) (ii) that the net official holdings of gold and United States dollars of Australia as at 12th September, 1946, were:—Gold, 2,107,338 fine ounces; United States dollars, 10,291,602. On the basis of these amounts the gold subscription payable by Australia was \$8,404,843.20 or 240,138,377 fine ounces.

Each member is required to pay the balance of its quota in its own currency. Under Article III, Section 5 of the Fund Agreement, however, the Fund may accept non-negotiable, non-interest bearing securities in place of part of the currency subscription of a member not needed for the Fund's operations.

A total of £88,143,066 has been paid to meet Australia's subscription. This includes an increase in the Australian currency subscription made necessary by the alteration in the Australian-United States dollar exchange rate on 19th September, 1949. The obligation was met as follows:—

Under Article V, Section 3 of the Fund Agreement, Australia purchased \$20,000,000 from the Fund with Australian currency on 24th October, 1949, and \$30,000,000 on 20th August, 1952. Under Article V, Section 7 of the Fund Agreement Australia repaid these dollar drawings by repurchasing Australian currency from the Fund to the value of \$24,000,000 during 1953-54 and \$26,000,000 during 1954-55. These transactions were carried out by the Commonwealth Bank. They did not involve the Commonwealth Public Account.

2. INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT.

As a condition of membership Australia undertook to subscribe for 2,000 shares of the capital stock of the Bank at a par value of \$100,000 per share.

Under Article II, Section 5 of the Articles of Agreement of the International Bank, the subscription of each member is divided into two parts as follows:—

- (i) 20 per cent. to be paid or subject to call as needed by the Bank for its operations;
- (ii) the remaining 80 per cent. to be subject to call by the Bank only when required to meet certain obligations of the Bank as specified in the Agreement.

Under Article II, Section 7 of the Agreement payment of the amount due under (i) in the preceding paragraph is to be made in gold or United States dollars and in the currencies of members as follows:—

- (i) 2 per cent. of the subscription in gold or United States dollars;
- (ii) when calls are made the remaining 18 per cent. shall be paid in the currency of the member.

Under Article V, Section 12 of the Agreement the Bank may accept in substitution for part of the currency subscription payable by a member non-negotiable, non-interest bearing securities.

The statistics of individuals for assessment years 1948-49 to 1952-53 have been revised to include all assessments issued up to four years after the close of the year of income. A similar revision will be made for subsequent assessment years when the statistics have been compiled.

In the case of individuals, tax was not levied if the taxable income did not exceed £104.
